

 **Technical Writer**

**Document ONTOLIS with and in all its facets!**

Your tasks:

- Documentation of our ONTOLIS software platform and ONTOLIS applications for users
- Documentation in our own content management system (CMDS)
- Marketing support with copywriting for advertising material and website
- Development of new ideas and concepts for technical documentation

Your qualifications:

- University degree in a field equivalent to technical writing or communication
- Knowledge of current regulations
- As much experience as possible - preferably in software documentation
- Ability to present abstract concepts in simple language

Would you like to become part of the ONTOLIS documentation team and provide our customers with the best possible documentation?

**Apply now!**
