

## **Working student graphics / design**

**Give ONTOLIS a touch of your look!**

Your tasks:

- Support in the application design of ONTOLIS applications
- Design of pictograms, symbols and other graphics
- Marketing support with illustrative ONTOLIS graphics
- Marketing support for advertising material such as flyers

Your qualifications:

- Current university degree in a field equivalent to graphic design or UX design
- Creativity
- Interest in application design and usability
- Ability to work independently
- Knowledge of Adobe applications such as InDesign, Illustrator, Photoshop, etc.
- Enough time for ONTOLIS alongside your studies

Would you like to use the time alongside your studies to gain practical experience and share your existing knowledge with ONTOLIS?
